ENGLISHMATE

Better English. Smarter You. _____

English is the most common language of communication across the globe. Lack of proficiency in English language is a significant disadvantage at work, home and social gatherings. English is the key to success in today's world. It helps

- to improve your personality, overcome hesitation, appear confident & be acceptable.
- to advance higher in your education or crack the much awaited job interview,
- to enjoy a social gathering with friends or increase friend circle ,
- to attend corporate events with your spouse or want to interact freely with school teachers.

Better English helps you in your day-to-day interactions and also helps to use your talent & strengths to its full potential, thus leaving a lasting impression.

Hindustan Times launched English Mate, English Language Learning Centers, which aim to help you improve your English communication skills and hence become a confident and smarter individual.

HINDUSTAN TIMES

Empowering Masses Through
Quality Education _____

HT Media Limited is India's foremost media company and is the force behind three of the nation's leading newspapers - **Hindustan Times** (English daily), **Hindustan** (Hindi daily) and **Mint** (Business daily).

HT has a vision of empowering India's youth through information, entertainment and education. In the area of Education, it has taken several initiatives such as **HT Pace** – a newspaper for school children to encourage reading habit, **HT Education** – a weekly education supplement, **HT Campus** – an online platform for students looking for higher education options and **HT Paathshala** – program to facilitate education of under-privileged children.

In 2010, the organization reinforced its presence in education by launching **Studymate**, high quality tuition centers for Class VIII – XII. With 29 centers and 7000 students, it is the largest tuition provider in Delhi NCR.

In 2013, it launched **BRIDGE School of Management**, in association with Apollo Global Inc., USA and Northwestern University to offer industry oriented management programs to working professionals to boost their careers.

In 2015, Hindustan Times launched **Englishmate** with the ambition to provide English language proficiency to masses through its unique learning platform. It has transformed the life of over 3000 students since its inception.

CAMBRIDGE UNIVERSITY PRESS

Unlocking Potential with the
Best Learning Solutions _____

Englishmate has partnered with Cambridge University Press (UK), the publishing house of the University of Cambridge, to offer world class English Language Programs in India. **Cambridge** is the 2nd largest university press in the world. With a global presence in more than 50 countries, it publishes over 50,000 titles by authors from over 140 countries. **Cambridge** in India provides educational and academic materials to millions of learners. Their products, **Touchstone** and others have helped thousands of learners in India & the globe, access high quality learning material online – with utmost ease and convenience.

DID YOU KNOW?

In India, employees who speak good English earn

34%

higher wages than those who don't.

Even those who can speak little English, also earn

13%

more than others.

5 REASONS TO CHOOSE ENGLISHMATE

HT & Cambridge University Press

Two leading organizations of repute & trust, come together at Englishmate. You will study through international quality course books designed by Cambridge, keeping in mind all age groups and learning styles.

Expert & Trained Faculty

Every teacher is trained and certified on the Englishmate methodology of teaching language. We have handpicked trainers who have vast experience of teaching English and can handle students of all age groups. Friendliness, approachability and patience are characteristics embodied by our trainers. They spend time in understanding your needs right at the onset of the course and offer a learning path which is best suited to you.

Speak Right, Speak More. Technology Aided Learning

Our unique software will enable you to learn anytime, anywhere. This interactive technology helps to overcome your pronunciation challenges, giving you the right way to speak in case you don't do it correctly. You can access a vast range of videos, conversational exercises and practical sessions from your laptop or mobile device at home or can use the device available at the Englishmate centers.

To help you practice speaking English beyond what you do in the classroom and on the online platform, we offer you **Speak-in & Call n Converse**, a facility to speak to a partner through a telephone system during your course duration. This will help you practice and speak better English.

Learning with Books & Interactive Fun Games

You will be given a book published by Cambridge UK, corresponding to your level, from which you can learn during the course and also after the course is over. In addition, you will get a 1 year access to online workbooks and exercises for regular practice.

Every concept is learnt and experienced with the help of **fun activities and games**. You will participate in role plays, games, exercises, and mock runs which will help you apply what you have learnt. You will stay motivated with varied, lively approaches to English used in real life situations.

Continuous Feedback for Improvement

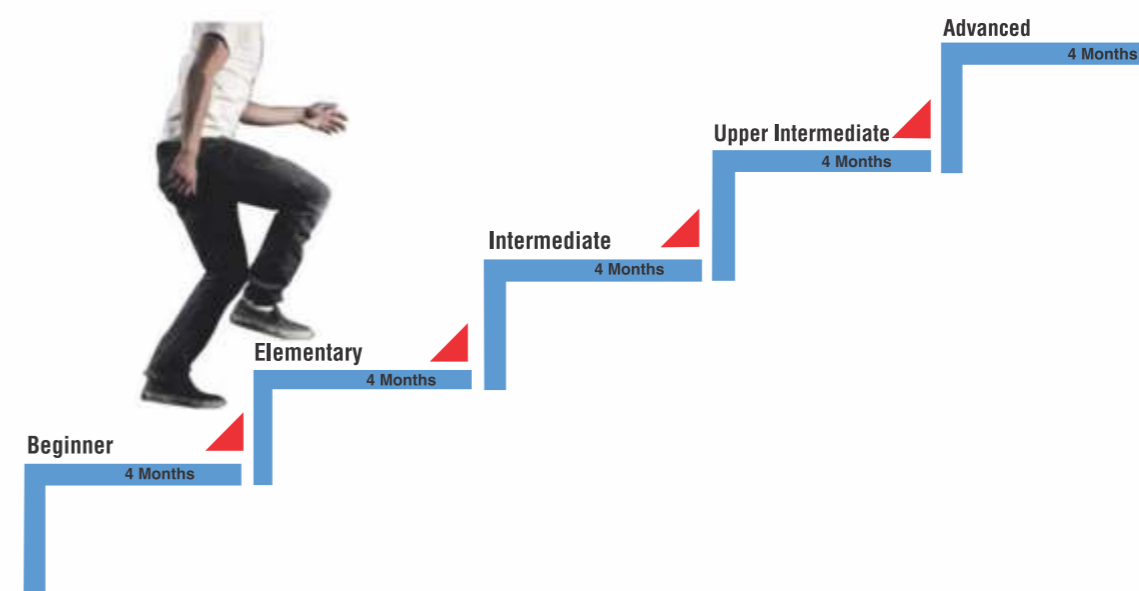

At Englishmate, your mistakes are your learning moments. You won't have to wait to find correct answers, because our platform ensures that every mistake is rectified instantly. Regular tests help us to accurately track your progress and focus on areas which need extra practice. We have an unlimited repository of assignments and activities carefully crafted to promote language learning. Should you need more time, we will also provide you with extra hours to help you reach the desired level.

PROGRAM STRUCTURE

The Course is mapped to **Common European Framework of Reference (CEFR)**: the international standard to measure learners' language skills. Depending on your current skill, you will be assigned to one of the 5 levels given below. This is done basis a Placement test & a conversation with the trainer, to assess your current proficiency in **Reading, Writing, Listening and Spoken English**, at the beginning of the course.

- | | |
|---------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------|
| Beginner: | Building the basics – Overcome hesitation and begin to speak in your day-to-day Inter-actions. |
| Elementary: | Reinforce the fundamentals – Improve pronunciation, vocabulary and grammar for effective communication in social and professional environment. |
| Intermediate: | Crossing boundaries – Gain confidence to travel to English speaking areas. |
| Upper Intermediate: | Negotiating complexities – Interact with native speaker with fluency , spontaneity and confidence. |
| Advanced: | Exhibiting all-round skills – Use all 4 language skills (LSRW) fluently and effectively for social, academic and professional purposes. |

STUDENTS SPEAK

"I joined Englishmate to improve my spoken English because it's a necessity of every person who wants to grow in the world. I am very impressed with the way of teaching here as well as the online assignments. We can watch and learn to speak correctly and get to know the proper use of words according to situation. This, I think, is the best way to learn any language. Thanks to Englishmate."

- Bharat Bisht, Englishmate Vaishali

"I always wanted to improve my spoken as well as written English. Englishmate proved to be a good platform for the same and helped me improve my English. The positive and lively environment in the class created by the faculty makes learning an enjoyable experience. The videos shown in the class are informative and of great help in improving pronunciation, speaking skills, etc. Overall it has been a very good experience."

- Seema Srinivasan, Englishmate Janakpuri

"Although I joined Englishmate with a fear whether I'll be able to learn English or not, but now I feel confident that I am improving. I feel that the innovative method of teaching is very interesting. I have learnt correct pronunciation and gained confidence. Thank you Hindustan Times and EnglishMate."

- Brij Kumar, Englishmate Noida

YOUR ROLE

It is only with our joint efforts, that you can get the desired results and see a real change in the way you speak English. We urge you to

1. Be **regular & punctual** in completing 6 hours of learning every week at the centers.
2. Complete all the exercises given in class AND **complete the 3 exercises of your level** in the prescribed time of your course to enable teacher evaluate your progress.
3. Use the 'speak in' & the 'call n converse' facility to enable teacher evaluate your **progress in spoken fluency**.
4. Practice regularly. Spending at least 4 hours every week to **read recommended books and blogs**.
5. Make interacting in English a habit: **Speak in English** with your family, friends and colleagues.
